ⓘ

There's no credit/debit card on the Apple Online Store associated with your Apple Account to auto-renew your membership.

Add a credit/debit card to maintain membership benefits and keep your apps available on the App Store.

Add card

Program resources

App Store Connect

Manage your app's builds, metadata, and more on the App Store.

- Apps
- App Analytics
- Sales and Trends
- Payments and Financial Reports
- Business
- Users and Access

Certificates, IDs & Profiles

Manage the certificates, identifiers, profiles, and devices required to develop, test, and distribute apps.

- Certificates
- Identifiers
- Devices
- Profiles
- Keys
- Service configuration

Services

View and manage your usage of developer services.

- Xcode Cloud
- CloudKit
- Apple Maps
- Push Notifications
- WeatherKit

Profile

Customize your experience with Apple Developer. Create a developer profile to get personalized news, updates, and activity announcements based on your interests and preferences. [Learn more.](#)

Preferred language Public

English

Edit

We're committed to keeping your personal information safe and we will use your data to enhance the developer experience.

Emails

We'll send important messages about your developer account and services to the email address associated with your Apple Account (russell@russellnomer.com). To update this address, and to manage preferences for email updates on Apple products, services and software, visit account.apple.com.

Messages from Apple Developer

Choose the emails you would like to receive from Apple Developer.

☒ All emails

☒ Hello Developer (monthly)

Developer news, stories, events, and resources, as well as special coverage throughout WWDC.

☒ Meet with Apple (monthly)

Upcoming developer activities and programming, as well as updates about Apple Developer Centers.

☒ Announcements (occasional)

Updates about platforms, features, tools, services, and WWDC.

☒ Student updates (occasional)

Updates about student activities and resources, including the Swift Student Challenge and Swift Coding Clubs.

Messages from App Store Connect

To manage preferences for receiving emails about your app statuses, customer reviews, and more, visit appstoreconnect.apple.com.

Push Notifications

You can update push notification settings for your account in the [Apple Developer app](#) and the [App Store Connect app](#).

Membership details
